*Registration required at www.choicehotels.com/giftcard before check-out. The promotion is only available to members of the Choice Privileges® Rewards Program who make two separate qualifying stays with arrival between 05/07/2019 and 08/09/2019. A "stay" is any number of consecutive nights at one hotel regardless of check-ins or check-outs. A "qualifying stay" is a stay that is during this promotion at a participating hotel through a qualifying channel (see Qualifying Channel, below) that is eligible to earn Choice Privileges points. Most stays are eligible to earn Choice Privileges points EXCEPT: rooms booked at rates below \$40 USD per night, certain hotel initiated promotions, reward night stays, complimentary rooms, rooms paid for as part of a convention or meeting, rooms booked through a third party online retailer including online travel agencies, wholesale packages, group tours, and stays booked using the employee discount or the friends and family discount. Stays at vacation rental property locations and Choice Hotels® properties in the following countries are excluded from this promotion: Japan, Norway, Sweden, Denmark, Finland, Iceland, Lithuania, Estonia, Latvia, Guyana, and Ecuador. You must maintain an address in the U.S. (includes U.S. territories) or Canada to be eligible.

To qualify, book stays via ChoiceHotels.com, the Choice Hotels mobile app, or 800.4CHOICE (corporate travelers may book through their online booking tool, GDS, or with a travel agent; however, reservations booked through Egenzia's Preferred Rate Program do not qualify for promotional bonus points). Choice Privileges member number must be provided upon check-in. To be eligible to earn bonus points, members must set their earning preference to Choice Privileges points in their online account. Any change made to earning preference will remain in effect after the promotion has ended, unless the member changes it. Allow 72 hours from check-out for points to post. Request for bonus points made by members who did not register for the promotion will only be considered up to 60 days after the promotion ends; request thereafter will be automatically denied.

Registered members will be awarded a minimum of 5,000 to a maximum of 8,000 bonus points after the second qualifying stay. The number of bonus points awarded depends on the number of base points earned from the two separate qualifying stays, with points varying by hotel. The total of base points plus bonus points awarded, however, will be at least 8,000 points, which is the number of points required to redeem for a \$50 gift card from participating retailers. A selection of gift cards is available at the discounted redemption rate of 8,000 points from 05/07/2019 through 09/30/2019. Beginning 10/1/2019, the \$50 gift cards will return to their standard redemption rate of 16,000 points. Please see a list of participating retailers at www.choicehotels.com/giftcard. Terms and conditions apply to \$50 gift card options. See card for details.

You must maintain an address in the U.S. (includes U.S. territories) or Canada to be eligible.
