

Directions to MSA Office Entrance

The easiest way to get to the MSA Office is to exit through the ground floor north doors of Allard Hall.

Walk straight beside the residence building toward 105 Ave (north).

You should see a brown brick two-story building through a bit of a chain link fence.

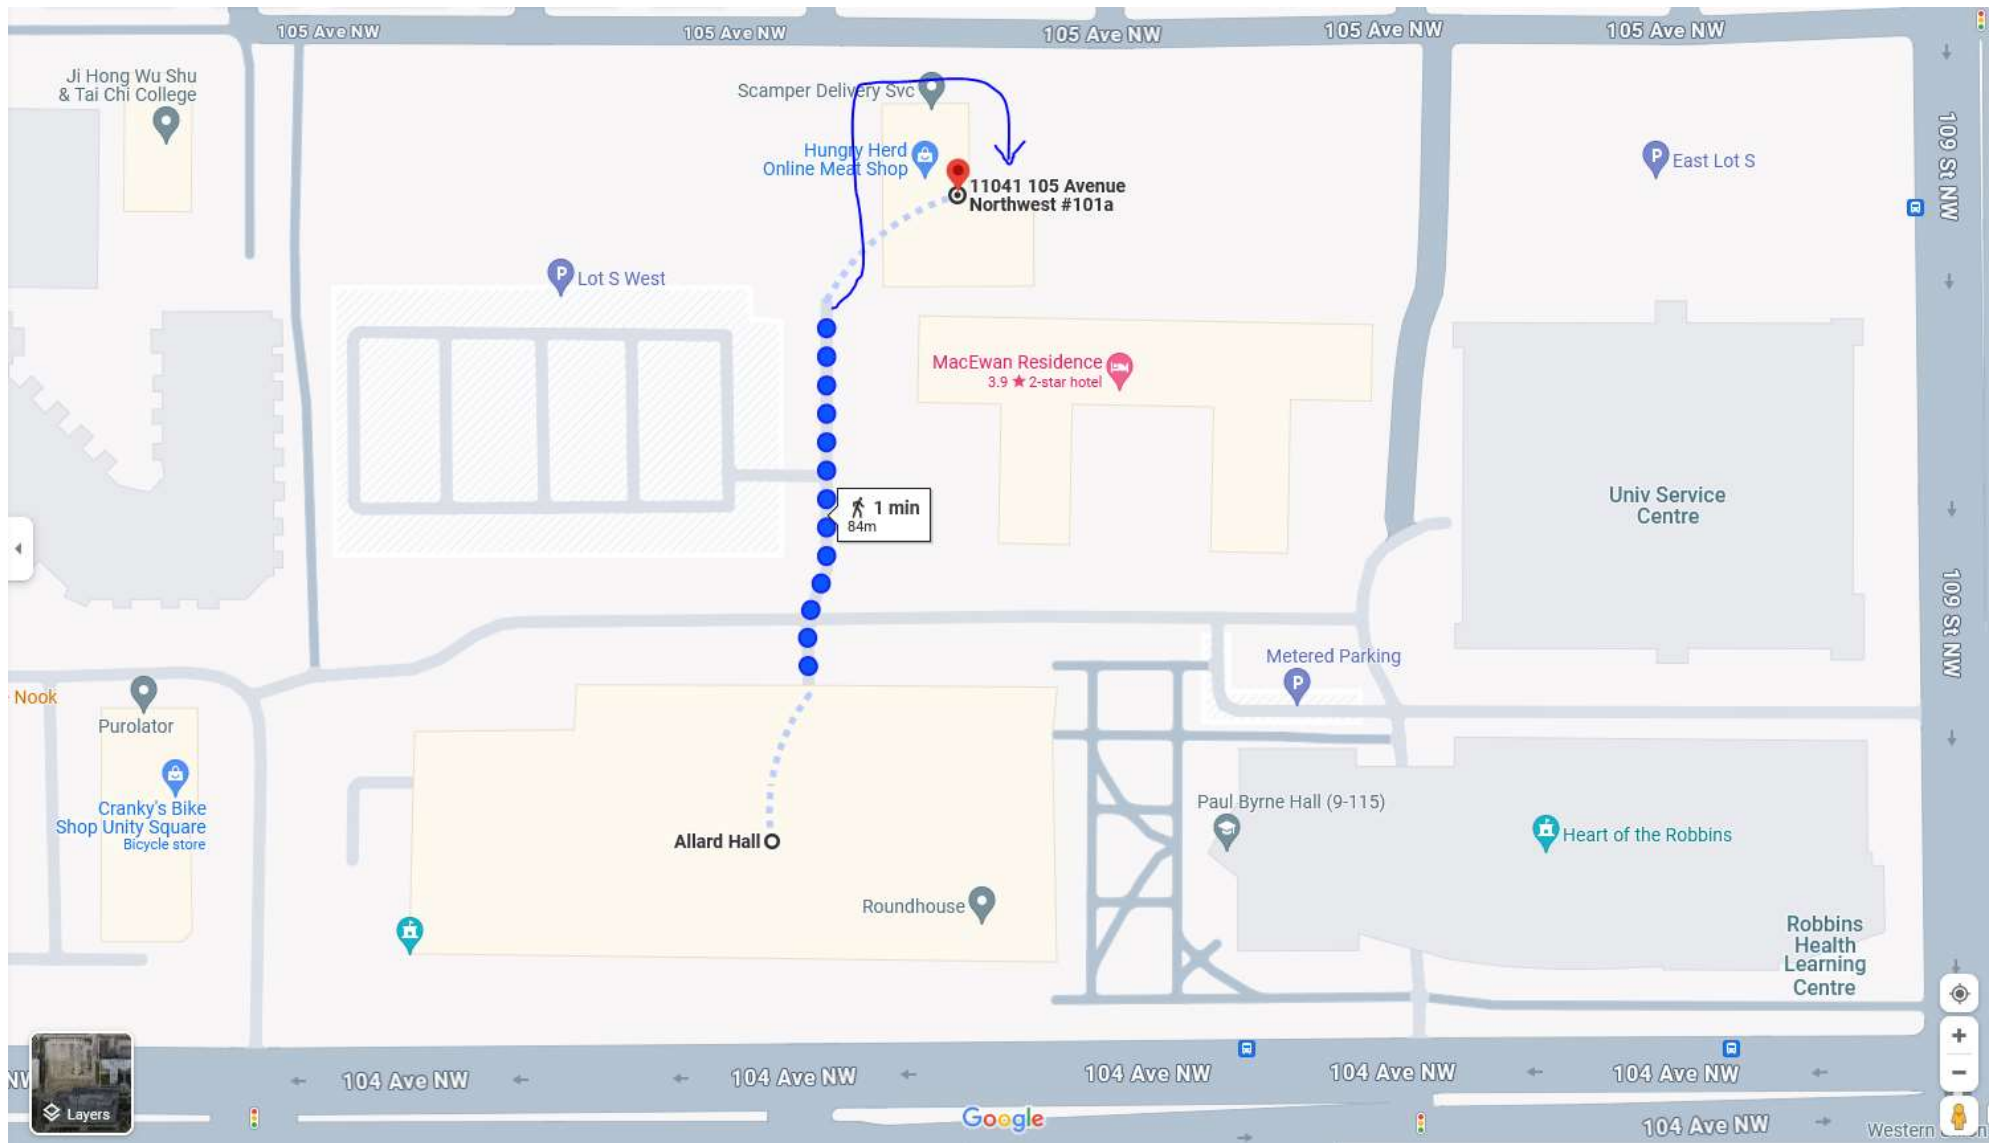

Continue walking beside the brown brick building toward 105 Ave (north).

Once you reach the end of the brown brick building, turn right (east).

You will come to a bigger, recessed parking lot to your right (south).

We are located at the back of the parking lot (the most south edge of the parking lot).

There are pictures on the next few pages for your reference.
